

Mr. Colby:

AT You are scheduled to [ ] 15 March, for an informal session with the Advanced Intelligence Seminar -- cocktails at 5:00, dinner at 6:00, talk from 7:00-9:00. Assume you'd like [ ] to drive you. Yes ☒ No ☐ ST/advise ST/

AT [ ] OTR, called me this morning seeking advice on another aspect of the AIC schedule. It seems that the custom is that, at the end of each course, the class meets with each of the four Deputies in separate one-hour sessions -- the DD highlights activities in his area, discusses some of his problems, and then opens the floor to questions. [ ] wondered if, in addition to your session on Thursday, you would be willing to handle the DD/O discussion on Monday, 2 April, from 11:15-12:15. Yes ☐ No, ask Cord Meyer. ☒ ST/
